

MobiMoney™ – Getting Started

Download:

- Open the Google Play Store or Apple App Store
- Search for “MobiMoney” Vantiv LLC
- Tap Download/Install

*MobiMoney™ is compatible with any Android device using 3.x OS or newer or any Apple devices using an Apple iOS 6.x or newer.

Registration:

- Once download is complete, tap the MobiMoney™ App icon on your device
- Tap the “New User” button to begin registration
 - Enter your 16 digit card number
 - Enter your address, security code, and card expiration date
 - At this point you will need to do a Point of Sale (POS) PIN transaction within 24 hours of registering your card
 - After the transaction, open the App, choose New User, enter card number, enter transaction amount
 - Accept terms & conditions
- Create Your Account
 - User ID, Select Password, Enter your email address

**If you have trouble registering, verify that the address & Expiration Date being entered in the MobiMoney™ App matches the information at Savings Bank.*

Next Steps! Click on Cards, Control Preferences: Locations, Merchant Types, Transaction Types and/or Spend Limits.

Set Alert Preferences for all or select Locations, Merchant Types and/or Spend Limits.

(Remember to Save when setting or changing your preferences)
